Christopher specializes in the sales, leasing and acquisitions of office and medical buildings ranging from owner-user, single-tenant, to multi-tenant properties.

As a Principal and Vice President at Lee & Associates – Industry, Inc., Christopher specializing in the sales, leasing and acquisitions of office and medical buildings ranging from owner-user, single-tenant, to multi-tenant properties.

Christopher prides himself on not only providing high-quality representation, but also on developing and maintaining long-term client relationships. In an effort to better assist his clients and meet their needs, Christopher spearheaded the development of The Office Market Group to include leasing specialists, an investment sales agent and a dedicated Marketing & Research Coordinator.

September 2005, Christopher was promoted to Principal and Vice President, becoming not only one of the youngest to achieve this great accomplishment at the Industry office, but in record time, in just under three years. He began his real estate career at Wheeler Steffen Property Management as an Account Manager, where he began to excel by maintaining the largest account portfolio realized at Wheeler Steffen. His exceptional real estate skills and in-depth market knowledge allow Christopher to facilitate the successful selling, leasing and acquisition of commercial office property for his clients.
